

FUN AT HOME

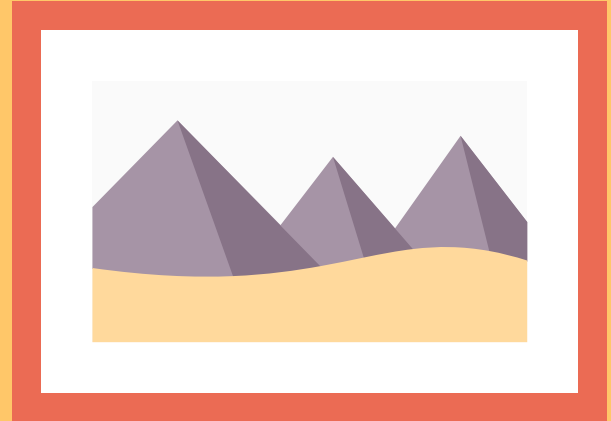

SATURDAY

Make Your Bed

Your family members love you. They do so many things for you to show their love and care. You can also help them to show your love for them. Begin your day by helping them. This will make you and your family happy. Make your bed when you wake up in the morning. Take help of an adult.

VIVA EDUCATION

My Katty Cat

Take a craft sheet in any colour of your choice. Make your Katty cat following these steps:

1. Cut and paste one big circle for the face, one big triangle for the body and two tiny triangles for the ears.
2. Cut and paste two small triangles of a different colour to make the eyes. You may draw and colour the eyes, if you wish to.
3. Stick two black bindis or draw circles to make the eyeballs.
4. Cut and paste or draw two pink patches for the nose.
5. Draw whiskers and tail for your Katty cat to complete it.
