Sam Finds a Puppy

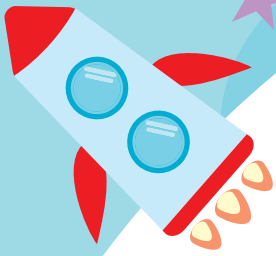

It is Sunday morning. Sam gets ready and eats his breakfast. He picks up his bat and ball and puts them in a **bag**. Sam's **bag** is new and has a **tag**. Mom and **dad** take him to the park. Sam meets his friend Dan in the park.

Sam shows his new **bag** to Dan and takes out his bat and ball. They start playing with it. Dan hits the ball. It goes very far. He looks for the ball but can't find it. He becomes **sad** and sits on a bench. Sam wants to make him happy. Just then, he sees a small puppy under a tree. He picks up the puppy and takes it to Dan. They play with the puppy and name it Max. Dan is happy now. Max is happy too. His tail goes **wag-wag-wag**.

Sam takes Max to his house and takes good care of it. Sam is a good and kind **lad**.

Moral of the story: Be good to your friends and keep them happy.
