

**FUN AT HOME**

**SATURDAY**

### The 'B' Box

Your mummy and daddy will collect some things whose names begin with letter 'B' and some whose names don't. They will put them in a box or a basket and close it. Close your eyes and take one thing out at a time from the box. Say its name aloud. If the name begins with letter Bb, put it back into the box otherwise keep it outside.

Have fun filling your 'B' box!

### Walk on the Line

An adult will draw long lines of different kinds (straight, slanting, curved, wavy) on the floor with a chalk. Take turns and walk on each line one by one. See who can walk the farthest without stepping off the line. Have fun with your family!
